## ACTIVITY TWO

During your excursion to Tocal Field Days, visit the Good Food and Wine section and find one of your favourite foods. What is the name your favourite food? Draw a picture of yourself eating your favourite food

A large, empty rectangular box with a thin black border, intended for a student to draw a picture of themselves eating their favourite food.

List or draw the ingredients of your favourite food that are grown on a farm?

### ACTIVITY THREE

Visit the Livestock or Land, Plants and Environment section at Tocal Field Days and speak to someone who has knowledge of Dairy Farms.

Draw a line between the timeline and the activities listed, to put the activities in order, to show how milk is produced from the paddock to our plate (or cup). This is called a 'chain of events'.

Paddock

Plate

Transporting the packaged milk to the supermarket

Feeding dairy cows

Drinking the milk at home

Transporting the milk to the milk factory

Storing the milk

Growing grass or feed

Milking cows on the farm in the dairy

Cleaning and packaging the milk

There is one secret ingredient that is used in every activity to produce top quality milk. Name this secret ingredient: \_\_\_\_\_

Clue: This ingredient is essential for all living things.
