

An agricultural space: research, plan, design

Select one of the following tasks and research the information you need to complete your task. Use the resources around your school and/or community such as the internet, books and knowledgeable people to complete your research.

NSW Stage 2	NSW Stage 3
GE2-1	GE3-1
GE2-2	GE3-2
GE2-3	GE3-3
GE2-4	GE3-4
ST2-4LW-S	ST3-4LW-S
ST2-5LW-T	ST3-5LW-T

Task 1:

Develop a plan to regenerate a section of your school grounds that is bare of vegetation or degraded.

Task 2:

Select an agricultural activity you could implement at your school and develop a plan for how you would set up this activity and look after it (hint – think big for small spaces!).

Task 3:

Develop a plan to create a native bush food garden at your school. Include which species you want to plant, why and how these species were used by Aboriginal and Torres Strait Islander people.
