POWER BOOKING FORM CATERERS

IMPORTANT NOTE:

Every appliance intended for use on your site must be listed on this form. This will ensure the power level is not exceeded and that sufficient generators and leads are booked in advance. Failure to list requirements may result in tripping the circuit breaker causing power interruptions. Should this happen you may be charged a penalty of $100 in addition to your power fee, and you may also be disconnected.

IT IS NOT ACCEPTABLE TO PAY FOR ONE OR TWO OUTLETS AND RUN YOUR OWN POWER BOARDS FROM THESE. POWER, ESPECIALLY IN EAT STREET IS VERY LIMITED AND MUST BE FAIRLY DISTRIBUTED TO ALL VENDORS

To ensure 100% safety and equitable sharing of electricity costs, the following **Guidelines** must be adhered to:

1. Book your total power needs on the form below – **requests for extra power when setting up and/or during the field days will attract a service charge**.

2. Each exhibitor is required to supply their own 20m extension lead.

3. All extension leads/power boards on-site MUST have an electrician's certification dated **within last 3 months** prior to the event.

4. Overnight power is available to caterers and for other exhibitor displays deemed essential. Please indicate whether you require overnight power.

☐ **Yes I require power overnight?** *(Give details)*

……
Power will be available from 7:00am Thursday. Should you require power before this, please indicate.
